

WHO PUT OUT THE LIGHT?

Copyrighted 1919, by the American Examiner. Great Britain Rights Reserved.

RESOLVED
THAT LIGHT IS LIFE AND TRUTH. LET US HAVE LIGHT. IN THOSE AGES OF DARKNESS, CENTURIES AGO, WHEN MIGHT WAS RIGHT, WHEN MEN MURDERED EACH OTHER, THEY BELIEVED IN GOBLINS AND FAIRIES. THEY BELIEVED THE EARTH WAS FLAT, THEY WORSHIPED IDOLS, THEY HAD POOR LIGHT, LIKE TORCHES. AFTER THAT CAME CANDLES WITH A TRIFLE MORE LIGHT BUT WITH FEAR & SUPERSTITION, THEN LAMPS WITH MORE LIGHT AND LESS FEAR & SUPERSTITION. ELECTRICITY CAME THEN. AND SO AS SCIENCE GIVES US BETTER PHYSICAL LIGHT OUR MORAL & SPIRITUAL LIGHT GETS STRONGER. NOW WE CAN SEE THE ETERNAL GODDNESS OF THINGS, RULED BY PERFECT LAW, FOUNDED ON LOVE. WE ARE NOT WORMS OF THE DUST.

R. F. Outcault
